Publisher's Description

From [4Videosoft Studio](#):

If you have hundreds and thousands of movies on your computer, would you like to share them with your friends on YouTube? It sounds great, right? We all know that FLV videos can be uploaded to YouTube for sharing, so it's necessary to convert the movies to FLV and then upload them to YouTube for your need. A professional YouTube Video Converter is badly here. 4Videosoft YouTube Video Converter enables you to convert almost all videos like MXF, MTS, TS, MKV, MPEG, MPG, AVI, WMV, MP4, MOV to YouTube FLV videos with ultra-fast speed and original quality. Thus you can upload your movies to YouTube website.

In addition, you're able to optimize the video with multiple creative and flexible video editing functions, like Effect, Trim, Crop, Merge and Watermark. You can adjust the video effect like brightness, contrast, saturation, hue and volume to get a better YouTube video; cut off your undesired video part; crop the video frame as you like; add text or image watermark to identify the videos as your own and join several video files together for a successive enjoyment. With these practical video editing functions, it's no doubt that you can get an ideal video to load to YouTube.

Before the conversion, you're free to customize the video and audio settings according to your need. You can adjust the video encoder, audio encoder, video bitrate, audio bitrate, frame rate, sample rate, resolution, audio channels and more. Get the satisfying video and audio settings with a few clicks!
