"Simple and good blocker"

December 1, 2011 | By [edward-mar](#)

Version: Drainware Security Endpoint 1.0

Pros

Simple install. Really easy setup. Gets the job done.

Cons

Massive download size. ~70mb. Takes up considerable RAM (about 30,000 to 40,000 KB). Slows down your browsing speed. Not compatible with Opera 11.52.

Summary

Decent internet filter, but it really cuts down browsing speed even on Google Chrome. Considerably bulky compared to other filters. I guess if you had a high performance computer this wouldn't be so much of a problem.
