

**• Download Product • 1****Export Control Laws:**

Ventrilo is subject to United States export controls. Ventrilo may not be downloaded or otherwise exported or re-exported: into (or to a national or resident of) Afghanistan, Cuba, Iran, Iraq, Libya, North Korea, Sudan, Syria or any other country to which the United States has embargoed goods; or any organization or company on the United States Commerce Department's "Denied Parties List."

By downloading or using Ventrilo, you are agreeing to the foregoing and all applicable export control laws. You are also warranting that you are not under the control of, located in, or a resident or national of any such country or on any such list.

The information on export laws provided herein is not necessarily complete. For more information on export laws, please refer to United States Commerce Department, Bureau of Export Administration.

**WARNING:**

This program is protected by copyright law and international treaties.

Unauthorized reproduction or distribution of this program, or any portion of it, may result in severe civil and criminal penalties, and will be prosecuted to the maximum extent possible under law.

Each product either comes with an embedded LICENSE file or an installation program that will display the license for you. In either case all products are ultimately governed by their respective license agreements.
