Desktop Edition

Version: 5.2.1 (64-bit only)

Digitally signed for security

Requirements: Windows 10, 8, 7 (64-bit desktop)

See the [version history](#) for recent changes.

Hardwipe does not contain any third-party adware or third-party "extras" of any sort. It can be uninstalled easily and fully.

See license: [EULA](#)

Free for non-commercial use. Premium features are available as an [upgrade option](#) (see below). Previous versions of the software can be downloaded from the [history page](#).

Languages

Hardwipe now supports the **English**, **Spanish** and **German** languages out of the box.

A number of user generated language packs are also [freely available](#).
