Get Ready to Flock!

Thank you for downloading Flock!

If your download does not start after a few seconds, [click here](#).

Step 1

Once you have chosen to download the newest version of the flock.com browser you will be prompted with a "Save to Disk" Dialog. Select "Ok" to save the .dmg file to your computer.

Step 2

Once the file has successfully downloaded, select "**Open**" or simply double click the file to start the installation process.

Step 3

Select the "**Accept**" button in the "**Flock Browser End-User License Agreement**" dialog.

Step 4

Simply drag the flock icon into your applications folder. Voila, you are now ready to Flock.

Congratulations!

Get ready to meet your new favorite browser.
