Ad-Aware Free Anti-Malware

Power to the people

Real-time protection against spyware, trojans, rootkits, hijackers, keyloggers, and more!

Ad-Aware Free Anti-Malware is available for personal home use only.

Proactive protection against today's online threats

We have taken the security product millions of people know and trust one step further to give all users the power to protect themselves. By combining Lavasoft's pioneer anti-spyware technology with advanced Genotype detection, Ad-Aware Free is your proactive malware removal tool, allowing you to combat today's toughest cyber threats.

Ad-Aware Free Anti-Malware features real-time protection, a rootkit removal system, e-mail scanning, automatic updates, and much more — to ensure that you have the power to protect yourself online.

Shop, bank, and make travel arrangements online

We keep you safe from password stealers, keyloggers, spyware, rootkits, trojans, online fraudsters, identity thieves and other potential cyber criminals.

Control your privacy

Erase tracks left behind while surfing the Web - on browsers such as Internet Explorer, Opera, and Firefox - in one easy click.

Get Peace of Mind

Know that your personal information is kept safe from dangerous intruders and prying eyes.

Just set and forget - we'll keep you safe.

For full anti-virus protection and advanced real-time protection, including behavior-based heuristics scanning, and advanced rootkit removal technology, please visit [Ad-Aware Plus](#).
