"I use it daily. I can't think of a better endorsement." - [Keith Winsor](#)

"No other application puts collection lists, the calendar, and a detail view all on the same screen. I can see what I need to see, all in one place." - [Rick Rawson](#)

"The single greatest thing about [Chandler] is... the confluence of tasks, emails, and appointments as simple items which can interact and be managed with one other... It has definitely already added value to my life." - [Laura Garcia](#)
