#### The Ultimate Out-of-box Experience

- Easy to use and powerful straight out of the box
- Created by people thinking out of the box to come up with new ways to use the Internet
- Free for all! Over **300 million** downloads worldwide!

#### Maxthon Works the Way You Want It To

- Swap, add, move, remove, and change Maxthon's tool bars, icons, menus, colors, skins, and layouts until it looks the way you would have designed it.
- Don't like menus? Use hot keys. Don't like hot keys? Use word aliases. Don't like aliases? Use toolbars. Don't like toolbars? Then use mouse gestures. It's all up to you.
- Think we left something out? Pick from more than 1,400 plug-ins that make Maxthon the do-all of browsers.
- Other companies sell remote conferencing, screen capture, electronic passports, and automatic password managers as separate programs. With Max, they're free – just like Maxthon itself.

#### Maxthon's so secure you can throw away that blanket.

- Maxthon is 100% free of viruses, spyware, adware – any kind of malware.
- The built-in Ad Hunter blocks harmful, or just irritating ads, images and pages.
- Filter packs screen out offensive and irritating Web pages, and you decide what's offensive and irritating.

#### More, more, more....

There's so much more that we can't squeeze it all into one or two screens, but you can find out all the details [here](#).
