How to ooVoo

What do I need to use ooVoo?

All you need is broadband internet access and a computer with a webcam and microphone (a headset works great if you have one). [Learn more](#)

[Buy equipment](#)

How do I video chat with my friends?

Invite friends via email or video message right from ooVoo. If your friends are already on ooVoo, you will find them easily. You can also video chat with friends who haven't installed ooVoo - they'll join your video call on a Web browser!
