Licensing

The software is free of charge for personal use by individuals. If you plan to use Affixa within an organisation, you **must** [purchase licences](#).

Current Release

The current version is 2.2010.1.23 (released 23 January 2010; see [version history](#)).

[Download](#) (~2.5MB)

System Requirements

You just need a PC running Windows XP, Vista, 7, 2003 or 2008. The software requires something called the .NET Framework 2.0, though you most likely have this installed already. If you don't, you'll be asked to download it.

Redistribution & File Mirroring

You may redistribute the file Affixa-Setup.exe freely if unmodified. No other files may be redistributed.
