

Pastor Search Committee Update

July 23, 2026

The Pastor Search Committee held its first meeting following the 11:00 a.m. worship service on July 19. The committee began with a three-hour training session before electing its officers. John Price was elected chairman, with Jerry Miller and Linda Tucciarone serving as vice-chairmen. The committee has now begun the important work of seeking the man God is calling to serve as our next Senior Pastor.

Please join us in praying for the committee—that the Lord would grant them wisdom, unity, discernment, and faithfulness as they carry out this important responsibility in the life of our church.
