Moving your body is always more fun as a team. Grab your girls and hit the trails at Big Creek Park, or ride the Roswell Riverwalk with e-bikes from Nantahala Outdoor Center.

Brunch Babes

You've earned something tasty! Grab brunch (and some great pics) at Fellows Cafe, Gracious Plenty, or Roswell Provisions.

Retail Therapy

Who's a better shopping buddy than your girls? Nobody! Don't miss shopping the antiques and boutiques throughout Roswell. Linen & Flax Home is a favorite to locals and visitors.

Sip, Sip, Hooray

Start your night with something tasty. Get just a taste, a glass, or split a bottle of wine at Deep Roots Wine Market. Whether you love reds, whites, rosés, or bubbles, they have you covered!

Eat Your Heart Out

Roswell is a beloved dining destination. If you're looking to go all out, try VG Bistro. Craving sushi? Monkey 68 will hit the spot! Staying more casual, Ipps Pasteria & Bar is delicious.

Get Crafty

Grab a drink, and pick up a paint brush! My Clayground has Ladies Night packages if you book in advance. Not only will you have fun, you'll have something to take home to remember the weekend by!

Late Night Snack

Before you come to town, order cookies from I Canita Cake. That way when you wrap up the night, you can enjoy a delicious treat with the girls when you get back to the hotel.
