

ROMANTIC GETAWAY

Grab something sweet or savory

Start the day with a donut, waffle or hotcakes at these local hot spots: Crazy Love Coffee House, Sarah Donuts, or Fellow's Cafe.

Take a Stroll

As the shops and galleries begin to open for the day, get in some shopping. Canton Street has some great finds and make sure to add in a stop to shops on Alpharetta Street, Woodstock Street and on the Historic Town Square. Some favorites include: Linen & Flax, Raiford Gallery, Lilly Sage Apothecary, Mojo Vinyl, and From Sir with Love.

Picture Perfect

Put the shopping bags in the car and head to Old Mill Park. Only a mile away from Canton Street and it feels like a different world. Explore the trails and find some perfect spots along the covered pedestrian bridge and at Vickery Creek waterfalls for a photo op.

Time for Lunch

Try something a little different and prepare a picnic. Head to Roswell Provisions and create your own with bread, cheeses, spreads and more. Find a spot in one of Roswell's 19 award winning parks and make lunch super special.

Pedal Faster

Nantahala Outdoor Center located right along the Chattahoochee River also rents e-bikes. Rent a couple and bike your way along the 7 miles of riverside trails.

Outdoor Museum

While you're outdoors, pull up the ArtAround Roswell Tour and go on a hunt for their sculptures. Located in parks around the city, it's a fun way to spend time outside and get a little culture.

Time for a Treat

Chocolate and wine make the perfect pairing. Stop by Chef Brulee Chocolates and Gateaux or Chamberlain's Chocolate Factory to grab some delicious treats. Then, try out a one of Roswell's wine bars. Deep Roots Wine Market and Pinkies Up Beer and Wine have lots of offerings to try out with your sweets.

Dinner for Two

Have a special dinner at one of Roswell's local restaurants. Try out Monkey 68 for delicious sushi or The Whiskey Project for a unique feast.

Tip: Cocktails at both locations are on point.
