Re: Third Citizen Advisory Committee Meeting, CHOICES For '76 Project

Our third Citizen Advisory Committee meeting and luncheon for the CHOICES For '76 Project will be held on Saturday, June 24. It will run from 10 a.m. to 3 p.m. in the East Ballroom of the Commodore Hotel, Park Avenue and 42nd Street in Manhattan. Board members are cordially invited to attend should they wish to take part.

Enclosed is the Environment paper, the third of the background papers for the CHOICES For '76 TV series. This paper will be the subject of the day's discussion.

With respect to this paper, Committee members have been asked to review it, focusing particularly on whether we have posed the most important issues relating to Environment in the New York Region. The wording of the questions themselves is being pretested by the Gallup organization, so we have asked the Committee not to concentrate on that aspect. During the course of the day, film will be taken of the discussion from which snippets may be drawn for use in the TV programs.

Would you please call Miss Phyllis Solomon at (212) 682-7837 if you would like to attend Saturday, June 24. If you cannot attend but would like to send your comments, Bill Shore would be pleased to have them in writing.
