RE: Director Candidates

The 1978 Nominating Committee is considering nominations for the Board Class of 1981 and four vacancies in the other two classes. I should like to have the Committee consider the widest possible number of nominations:

The Committee believes the Board should give priority to candidates who live or work in Brooklyn, Queens, The Bronx, Staten Island, Long Island, Mercer, Middlesex, and Morris Counties in New Jersey, and the Mid-Hudson Valley, and to minorities, women, educators, scientists and communications executives.

If you have suggestions, please direct them to Richard Anderson, Secretary, at your earliest convenience.
