BURNING MAN **2015**

ROCK STAR LIBRARIAN MUSIC GUIDE

TEXT KEY: DAY Camp Name *Description Location Time Artist*

= Mutant Vehicle

= RSL Recommended

= Live Music Event

WARNING:

Subject to spontaneous outbursts of song and dance.

This is just a guide.

Camps & art cars who wished to be included in the guide are. Those who wished to remain stealth, are.

All contents and times are subject to change without notice and at the whim of the playa. Plan accordingly!

LIBRARIAN THANK YOUS!

Christopher "Xtopher" Ciley & Terry Grossman, it was all so seamless this year. **Thank you!**

Matt Menke, you've outdone yourself! The guide design is simply smashing! **Thank you!**

A big thank you to all of you Burners who have supported the guide over all these years. **THANK YOU!**

And for Michael, I love you. ♥

"We're the bridge across forever, arching above the sea, adventuring for our pleasure, living mysteries for the fun of it, choosing disasters triumphs challenges impossible odds, testing ourselves over and again, learning love and love and love!"

~ Richard Bach.

HOW TO SPEAK TO LAW ENFORCEMENT:

- > *Officer, my name is [give your real name].*
- > *Am I free to go?*
- > *If I am not free to go, please explain to me your probable cause for stopping me.*
- > *I politely refuse to give you any further information.*
- > *I do not consent to a search of me or my belongings, tent, vehicle, or camp.*

Your **best defense against citation or arrest may be politeness.**

Nothing requires you to incriminate yourself, and an officer may cite you for revealing any illegal behavior.

If you wish to exercise your right to be silent, **say so out loud.**

WHEN CAN THE POLICE STOP AND SEARCH ME?

- 1** Police may briefly stop to ask for your identity without probable cause of a crime.
- 2** Police may not require you to answer additional questions, detain or search you without either consent or probable cause.
- 3** Probable cause means an officer must be able to point to specific facts indicating criminal activity.
- 4** An officer may ask your consent to search you or your belongings.
- 5** Your refusal to give consent does not constitute probable cause for a search.

This is **not** legal advice. This is information discussing the general state of the law. We urge you to consult a lawyer for legal advice about a particular legal question or issue you may have. If you believe you are coerced into giving consent for a search, or that you are searched without probable cause, you may wish to contact the ACLU of Nevada at www.aclunv.org.

ROCK STAR LIBRARIAN MUSIC GUIDE

In loving memory of...

JON HORVATH

RIP Jon. We have lost a kind, passionate, playful and funky soul. I am forever thankful for our friendship beyond the beats. You will be missed. May you dance to the love and light with your Pamela. My heart goes out to Fort Knox Five and the Horvath family. I will dance and smile in your honor. The best way to honor your life is to truly LIVE.

My Burn Community:

If you wish to show your love and support for Jon, join me in making a simple sign, with a heart drawn on it and "Jon" written inside the heart. Carry it in your backpack. Hold it up when the music moves you, no matter where you are. I hope we will have a sea of hearts floating and dancing in Jon's honor on Friday at Funky Town.

Jon isn't the only one in our collective Burn family to leave us this year. I wish to recognize this and honor the grieving of others as well. I'm honoring Jon here simply because he was the one I knew.
