BURNING MAN 2018

Key

- Mutant Vehicles - A
- RSL recommended - *
- Live Music - 🎵
- Wheelchair friendly - ♿

WARNING: This is just a guide. Camps and mutant vehicles that wished to be in the guide are in here. Those who wished to remain stealth, are.

All contents and times are subject to change without notice and at the whim of the playa.

LIBRARIAN THANK YOUS!

Christopher "Xtopher" Cilley and Terry Grossman for your constant commitment to the Time to Burn app iOS/Android that includes all eplaya submitted events AND the RSL Music Guide content.

John Boyd, designer extraordinaire, for whipping this booklet into shape in record time!

I can't say enough thank yous to my best friend, Dawn Montefusco, for being my cheerleader, coach and soul sister. Thank you for standing in the fire for me and with me as I move through it to the other side and ultimately this Bigger Life I was meant to live and for making it so much freakin' fun!

A big thank you to all the Burners who especially contributed to the Burn for Water fundraiser that completely funded so we get to build a clean water well for a village in Ghana and leave a lasting legacy. Yes!

HOW TO SPEAK TO LAW ENFORCEMENT:

Officer, my name is [give your real name].

Am I free to go?

If I am not free to go, please explain to me your probable cause for stopping me.

I politely refuse to give you any further information.

I do not consent to a search of me or my belongings, tent, vehicle, or camp. Your best defense against citation or arrest may be politeness.

Nothing requires you to incriminate yourself, and an officer may cite you for revealing any illegal behavior. If you wish to exercise your right to be silent, say so out loud.

WHEN CAN THE POLICE STOP AND SEARCH ME?

1 Police may briefly stop to ask for your identity without probable cause of a crime.
2 Police may not require you to answer additional questions, detain or search you without either consent or probable cause.

3 Probable cause means an officer must be able to point to specific facts indicating criminal activity.

4 An officer may ask your consent to search you or your belongings.

5 Your refusal to give consent does not constitute probable cause for a search.

This is not legal advice. This is information discussing the general state of the law. We urge you to consult a lawyer for legal advice about a particular legal question or issue you may have. If you believe you are coerced into giving consent for a search, or that you are searched without probable cause, you may wish to contact the ACLU of Nevada at www.aclunv.org.

PLEASE JOIN AN ALL-CITY MOMENT OF SILENCE IN HONOR OF THE MAN HIMSELF.

Larry,

I didn't know a spontaneous "camping trip" out to this thing called Burning Man in 1998 would ultimately change my life, but it did. Because of you I discovered how to create and celebrate in fuckery, that clever smart-assary mixed with a pinch of humility, humor and truth every time, on the grandest of scales to remind me to never take myself too seriously. I encountered a different form of civic responsibility, evolved along with our theme camps and art projects in your fine city and got to question, redefine and expand how I participated and tolerated all the things within the trash fence, and then ultimately beyond it. I grew up creatively with you, allowed to not only color outside the lines of my life but redefine whether to use lines at all. Why not a swirl or bubble or squiggly-lined path?

But most of all thank you for this: You created a life-sized sandbox for me to play in, a place where I made life-long, fast friends, and ultimately for inspiring me to ignite my life with childlike wonder, awe and curiosity until the day I die.

Oh what the fuck, go for it anyway!
Kate
