

Candidate Theodore De Witt Phillips ✓

Special Field  
Musical Biography

Associate Professor and Director of Music  
West Virginia State College, Institute, West Va.

Plan of Work

In my research for material for "The Life and Musical Compositions of S. Coleridge-Taylor" (Thesis for Master's Degree), I found that much significant material was obtainable only in England, the material being in primary and documentary form. It is my plan to gather all relevant material so far unpublished, and write a book for publication on Coleridge-Taylor.

Can return to present position.
