Assistant Professor Religious Education (on leave)
Virginia Union University, Richmond

Education

first scholarly record

I have a good deal of doubt about
the value of the problem 'present
status of religion in Negro higher ed'
seems to me to combine the most
sterile aspects of both religion & sociology

We've turned this man down three
times. I don't see why we should
not do it again

Religion in higher education

We've turned this man
down twice and I think
we should do it again
No new evidence of ability or
promise
