

WENDELL MAURICE LUCAS

Graduate student  
Howard University

Organic Chemistry

*Withdrawn  
because he has  
gone into the Army.  
(22)*

Top record & recommendation

This card has never been anywhere  
but Howard

My suggestion is that he go on his  
own to Michigan. And if he is  
as good as he looks we  
might pick him up later

Isn't he certain to be drafted  
anyway?
