Graduate Student on Fund Fellowship  
at Iowa State University

Sociology

This is really a wow  
He is one of the few I am  
willing to see get a reward

Name Clifton Ralph Jones Field: Sociology  
Research Fellow, Fisk University  
Nashville, Tennessee

Plan of Work

To study social stratification within the Negro population. This will be done by making an intensive survey of the Negro population in a southern urban community of 5,000. The bases for the study will be occupation, education, home ownership, length of residence in the community and the like.

Wishes to attend State University of Iowa, working for Ph.D. under Dr. E. B. Reuter. Has been admitted. Probable duration of study one year, beginning June, 1941. Wishes to teach sociology in a college or university.

*field work begins June*
