Dear Friend:

The Committee on Fellowships of the Julius Rosenwald Fund has made its final review of the hundreds of applications received this year. After the most careful consideration 57 applicants - 35 Negroes and 22 white Southerners - have been given awards, and it is with real regret that I must inform you that you were not among those selected.

I am sure you will appreciate the fact that each application has received thoughtful and sympathetic scrutiny, and that the Committee's action in no way constitutes a lack of approval or interest in your project.

Sincerely yours,

WCH:MLU
