5. Under whose supervision will you work? Probably Drs. Huff and Saliaferro.
6. If you are not planning to study at an institution, indicate the type of special work you propose to do.
-
7. When do you wish to begin the study proposed? September 1938
8. What is your estimate of its probable duration? One full scholastic year and several summer sessions.

Statement of Plan of Work

Submit a statement giving detailed plans for your work during the tenure of your fellowship. This statement should include (1) a full description of the project, including its character and scope, and the significance of its presumable contribution; (2) the present state of the project (time of commencement, progress to date, etc.) and expectation as to completion; (3) the proposed university, institution of similar grade, or other place where the work would be carried on, and the authorities with whom the work would be done; (4) your expectation as to publication or use of the results of your study; (5) subsequent plans for your career.

Your Plan of Work should be complete and carefully prepared. Submit five copies typed on 8 1/2" x 11" paper. Your name should be on each sheet.

References

List three references from whom confidential information may be obtained concerning your professional qualifications and from whom expert opinion may be obtained as to the value and practicability of your proposed plan of work.

Name of Reference	Position	Address
<u>Dr. Robt. C. Rhodes</u>	<u>Prof. of Biology</u>	<u>Emory University, Georgia</u>
<u>Dr. W. B. Baker</u>	<u>Prof. of Biology</u>	<u>Emory University, Georgia</u>
