Dear Mrs. Payne: Permit me to acknowledge receipt of your letter of July 6. I will be sure to bring it to Dr. Bousfield's attention when he returns to the office the first of September.

In the meantime, would it be convenient for you to send along to me a summary of your experiences since your graduation from Teachers College? This, I think, is what Dr. Bousfield would want, and, as you suggest, it would be an advantage to have such information on hand for his return.

Very truly yours,

RUTH L. HOBBS

Secretary to
Dr. Bousfield
