

Fellowships Committee

August 22, 1944

Dear Mr. Paty: Thank you for your letter in regard to Mr. Moron. He has been notified of the award and has made all arrangements to enter Harvard this fall.

The office is very quiet at the moment with most of the staff on vacation. Dr. Bousfield called this morning on his way back to Fort Huachuca. I think after a long series of frustrations he would be glad to return to civilian life - though I guess it is easier to get into the Army than to get out.

Cordially yours,

VANDI V. HAYGOOD
