Overage

No evidence of unusual keenness
rather of good sound substantiated
Southern editor

No evidence that he knows Portuguese
or has even realized that language
is a problem in such a study

I see no reason to reverse last
year's decision. I then asked him
C. No evidence that he knows
Portuguese - he would turn in
the most superficial stuff
Compared, for example, to someone who
has been to Brazil knows what
he wants and would spend a full
year, this chap in a worse
