PHYLLIS ANNIE WALLACE

Student, American University

Economics

Unquestionably a top student
was Rosewood junior scholar
(from N.Y. Univ) in 1943-44
and testimony from her professors
at Yale. She probably needs
at least her year for her
doctor's work. Because of her youth
I'd incline to leave her for
another year or so.

PHYLLIS A WALLACE

Graduate Student, Yale University
New Haven, Connecticut

Economics

Good record
Bakke is all right
Rostow not so fulsome, but good
Better see this brilliant young
person through her Ph.D. (which will
probably come in June, 1947) maybe
letter tell her now there is final proof
Her asking is modest - \$1,215
