

JAMES LOWELL CADY

Inspector of castings
Standard Brake Shoe & Foundry Co.
Pine Bluff, Arkansas

Art

Absolutely nothing to take hold of
Propose a kind of glorified Historical
guide book. Affiliation is neither
for art, per se, nor literature

Has sent in
samples —
Pass on them to let jury
look at his cut
since there is a possibility that
he is a potential artist I think
we should let his samples go
to jury
