

Candidate **Manolia Alma Kirkland** Special Field
 Associate Professor in Education Rural Education
 Prairie View State College, Prairie View, Texas
 Plan of Work

My plan is to build up some desolated rural school and make this school the center of attraction for that county and state. This school will be used for observation for authorities, teachers, and students. These can always come to see applied the best methods for rural schools.

Seeks Ph. D in Rural Education at Columbia. Would like to work under Miss Carney. Duration of study - nine months. Can return to present position.

Digest of Application

Born February 23, 1906, Westville, South Carolina.

Received A. B. from Howard University in 1926; M. A. from Columbia through summer work from 1927-31; has attended Columbia during summer of 1935.

Taught at Marlboro High School, 1926-27, \$85 month; Smithfield Training School, Smithfield, N. C., 1927-30, \$100; professor at Southern University, Baton Rouge, \$125; and at Prairie View College, \$125.

Research or creative work: Special methods for rural school, 1935, summer. I have created a classroom that represents a town in which there is a bank, store, library and post office. Through this all subjects may be taught and correlated. I have written a unit of work for the 3rd, 4th, and 5th grades entitled "Fruit Growing in Texas."
