

Fellowship Com.

March 26, 1946

Dear Mr. Budworth: I am sorry that in the confusion of preparation for our fellowship competition that some items have been shipped to you which did not appear on the original list. I believe you have already received the paintings from Hughie Lee Smith which were shipped from this office. There is also a series of unsigned primitives, all of which are the work of Clemance Hunter.

In regard to the photographs, it will be alright to leave them in their portfolios.

I expect to be in New York on the 3rd of April and will come by to see you at that time.

Sincerely yours,

WILLIAM C. HAYGOOD
