

1940

CHARLES ADDISON HICKMAN, JR.

24

Instructor in Business Administration
John B. Stetson University

Economics

Excellent record at Univ / Iowa + Columbia
Very young, yet has a brilliant
record of accomplishment already
Phillips / Iowa says
"he is in upper one percent of graduate
students that I have known"

A youngster well worth honoring
if he gets tuition scholarship at Iowa
should we make a smaller award
I should think \$1,200 enough for a
young man (though he expects to get married
next summer)
