Creative writing

An interesting applicant  
35 years old, mother of 5 children  
wife of a \$1000 a year painter

She has taught in California  
schools and done a good bit  
of writing - including editing of  
volume on spirituals -

Interesting - but probably not tops  
wants to get BA at UCLA  
while rewriting (under guidance)  
her book "Pure White"
