Dear Supt. Marrs:

We are happy to announce to you that The Julius Rosenwald Fund on March 23, 1925, appropriated \$475,630, including administrative expenses, to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1925, and ending June 30, 1926.

As Mr. Rosenwald authorized me to make up the budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000, I carefully prepared the budget, being guided largely by (a) the requests from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1925, and ending June 30, 1926.

The allotment for Texas is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Amount</u>
One-teacher	6	\$400	\$2,400
Two-teacher	16	700	11,200
Three-teacher	4	900	3,600
Four-teacher	3	1,100	3,300
Five-teacher	2	1,300	2,600
Six-teacher	4	1,500	6,000
Teachers' Homes	3	900	2,700
Additions	2	200	400
	<u>40</u>		<u>\$32,300</u>
Building Agent	0		

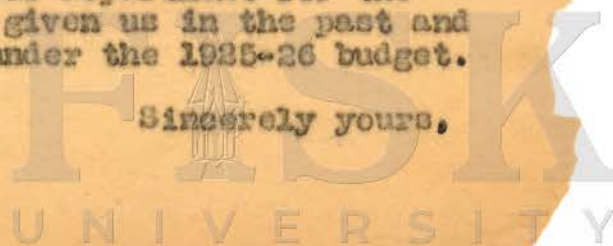

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will be approved and announced later.

Applications on the 1925-26 budget may be filed at any time from now until March 1, 1926, with the understanding that every building on which aid is expected will be completed and paid for by June 15, 1926, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees of The Fund join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the past and in hoping for the same helpful cooperation under the 1925-26 budget.

Supt. S. M. N. Marrs,

Dear Supt. Marrs:

You will find inclosed The Julius Rosenwald Fund checks Nos. 1688 and 1689 payable to the Texas State Department of Education for \$2,000 each, which are to increase your working capital by these amounts. Our custom has been to re-imburse the State Departments of Education on inspection reports submitted, school by school, but as the Treasurer and Mr. Rosenwald himself had to leave several weeks ago for Europe, it was necessary for us to draw requisitions in lump sum lots sufficient to take care of the budget in each state. We thought this method of increasing the working capital from time to time as inspections on completed schools are reported and reducing the working capital by the amount of approved inspection reports would be the most satisfactory way to handle this in the absence of the Treasurer.

Dear Supt. Harris:

You will find attached The Julius Rosenwald Fund check No. 1669, dated July 1st, to the order of the Texas State Department of Education for \$3,500, to be used as working capital in the schoolhouse construction budget for the year beginning July 1, 1925 and ending June 30, 1926. As disbursements are made from time to time in keeping with the Plan for Distribution of Aid for Building Rural Schoolhouses for 1925-26, as evidenced by inspection reports of completed buildings bearing signatures of the State Superintendent and State Agent, the working capital will be replenished, keeping the total up to the original amount as nearly as possible. Any unexpended balance of this working capital on June 30, 1926 is to be refunded to The Fund.

Dear Supt. Marrs:

You will find attached The Julius Rosenwald Fund check No. 1751 in favor of the Texas State Department of Education for \$700 to re-imburse your department for the amount spent on the RIVERSIDE SCHOOL IN WALKER COUNTY - THE THREE THOUSANDTH ROSENWALD SCHOOL COMPLETED.

The two thousandth Rosenwald school happened to fall in Shelby County, Tennessee, and was completed and dedicated on the 27th of September, 1923. You can see from this that we are completing about 500 schools each year. Prior to September 1920 there were 640 buildings completed before the office at Nashville was established. Taking this amount from the 3,000, we have 2,360 completed buildings since September 1920.

According to our records Texas has completed 228 buildings within the five year period, costing \$869,405, contributed as follows: Negroes \$128,530, whites \$30,345, the public school authorities \$534,988, and The Julius Rosenwald Fund \$175,542. The teacher capacity of these buildings completed in Texas is 501 and the pupil capacity 22,545. Texas has certainly done her share of building Rosenwald schools. I congratulate you, Mr. Rogers, and Mr. Bludworth, on the progress made.
