

1939

ENOS LUTHER BROOKES

45

Head of department of Science and Professor
of Chemistry, Clark University

Physical Sciences

way over age

Evidently a good professor who
is working out a sound
senior course - the physical
sciences - But no evidence
of genius & compensation for
over age. No testimony at
all in fact from students.

C

ENOS LUTHER BROOKES

Professor of Chemistry, Clark College
Atlanta, Georgia

Chemistry

Too old - 50
Just some more study
in chemistry .

Seal

Name Enos Luther Brookes **Field:** Chemistry
 Professor of Chemistry, Clark College
 Atlanta, Georgia

Plan of Work

To do further studies in chemistry with emphasis on biochemistry and nutrition; to use the results of such studies to help effect favorable changes in the bad dietary habits of Negroes in the South through the writing of articles on nutrition and through classroom work as a teacher.

Requests grant for nine months. Wishes to attend University of Iowa. Will return to present position.

Applied in 1939.
