SCHOLARSHIPS AND TEACHING FELLOWSHIPS  
FOR TRAINING IN THE FIELD OF THE EDUCATION OF THE HANDICAPPED

**T**EACHERS COLLEGE, Columbia University, offers for the year 1938-39 a limited number of scholarships and teaching fellowships for graduates of normal schools and colleges and for teachers now in service in fields of the handicapped who wish to continue their study programs in a combination of courses given at Teachers College, Columbia University. These scholarships are open to teachers and workers in the following three fields: (1) teachers and administrators in special institutions for the physically, mentally, or socially handicapped — for example, in institutions for the education of the blind, the deaf, the crippled, and the mentally handicapped; (2) nurses, social workers, psychologists, psychiatrists, vocational counselors, placement officers and administrative officers in public or private agencies dealing with the education, rehabilitation, and vocational placement of the handicapped; and (3) teachers and supervisors of special classes for the physically or mentally handicapped in public or private schools for the general school population.

Scholarship awards may include tuition, maintenance, and cash stipends. The amount of the stipend will vary with the individual case. Scholarship awards will be based solely on the merits of the applicant and the amount of money available for grants. Appointments are made for one year on a probational basis, but may be canceled at the end of any session in event of inferior work.

Programs of study may be arranged leading to the degree of Bachelor of Science, Master of Arts, Doctor of Philosophy, or Doctor of Education, and/or an appropriate Teachers College professional diploma. The requirements in general for degrees and professional diplomas are stated in the Teachers College Announcement.

The technical, practical, and professional work is given jointly by Teachers College and cooperating institutions and agencies for the physically, mentally, or socially handicapped. Specialists in the several fields participate in courses at the College and in field and laboratory courses in the several cooperating institutions or agencies.

Application forms for scholarships and fellowships may be obtained by writing to Professor Merle E. Frampton, Teachers College, Columbia University, 525 West 120th Street, New York City. Applications must be filed not later than May 1, 1938.
