Personal Data Born Washington, D. C., April, 1918 **Age:** 28
Married, one dependent (partial) **Draft Status:** 4A

Undergraduate Work Miner Teachers College, Washington, D. C., B.S., 1940

Graduate Work Howard University Graduate School, 1944-45.
Graduate School of Department of Agriculture, Washington, D. C., 1945-

Special Study Economics, Statistics and Labor Law.

Experience Miner Teachers College, Washington, D. C., Bookkeeper NYA, 1937-40, \$135;
City Post Office, Washington, D. C., Temporary Postal Clerk, 1940-41,
\$1600; U. S. Government Printing Office, Washington, D. C., Skilled
Laborer, 1941-44, \$1700; Office of Price Administration, Washington, D. C.,
Statistical Clerk, 1944-45, \$1800; Office of Price Administration, Wash-
ington, D. C., Economist, 1945- , \$2320.

Accomplishments Duties as a Pl Economist in the Rent Department of the National Office of Price Administration require thorough economic research. He collects, analyzes, and organizes data on population trends, both out-migration and in-migration, business and employment trends, public and private building programs, military activities, both Army and Naval, etc. This material is analyzed for the purpose of showing the influence on rental conditions. In preparing these economic studies, use is made of census reports, reports from the War and Navy Departments, War Manpower Commission, Federal Public Housing Administration, also the Bureau of Labor Statistics, and the Board of Governors of the Federal Reserve System.

Scholarships Summer School for Office Workers, American Labor Education Service at Lake Forest College, Lake Forest, Illinois, \$90, 1945. Study of economic and social problems of white collar workers.
