Fellowship
Corr.

April 22, 1948

Dear Mr. Lawrence: In behalf of the Trustees of the Julius Rosenwald Fund, I express our deep appreciation of your helping us in choosing Fellows. The art jury has given not only time and judgment but an inspiration to us and the candidates. We in the Fund feel that the fellowship awards represent one of our greatest contributions to the development of young Americans. We thank you for your cooperation in the delicate task of selection.

Very truly yours,

EDWIN R. EMBREE
