

Fellowships  
Com.

February 6, 1948

Dear Mr. Lawrence: As you know applicants for fellowships in the fine arts are given a judging for the Committee on Fellowships by a jury of artists. I feel that it is not fair to rejected candidates to be judged by the same jury year after year, and this year, our final year, I should like very much to have you on this jury. It would involve having you fly out here at our expense for a day and with Mrs. Katherine Kuh of the Art Institute and another Chicago artist view the various samples submitted.

I have not yet set a definite date, trying to have it at your convenience, though for the sake of argument, I am suggesting any day in the week of March 29 to April 3. Will you let me hear as soon as you can, and I hope very much that you will find the time to do this.

Sincerely yours,

H.R.
