September 12, 1958

Dear Jenkins: ~~Many~~ Many thanks for your undated letter received this morning. I think we should have lunch together on Friday, the 16th. I will meet you at the information desk in the Pennsylvania Station at 12:30 noon. If this is not convenient, please call Dr. Murray as I will communicate with him on Thursday and then we may plan for another appointment.

Sincerely yours,

M. O. BOUSFIELD

M. O. Bousfield, M.D.
