Dear Mr. Wheeler: Replying to your letter of the
27th, I am sorry to inform you
that there is no change in policy here. You must
realize that a foundation must choose pretty specific-
ally the things which it is possible for it to do and
the fields in which it is to work.

The only exception which I could
make in your case would occur whenever you sought a
position in an institution in which the Fund is interest-
ed. If additional training made it necessary for you
to accept that job, we might help. There would have to
be assurance that the job would be given to you before
consideration would be given to your application.

Very truly yours,

M. O. BOUSFIELD
