LAWRENCE A. JONES

28

Assistant, department of Fine Arts
Dillard

Painting and etching

A most interesting prospect
I met him with Geoffrey Gorer
author of African Tapestries etc
who was ecstatic about his work
and promise

The man has worked as waiter and
at everything and has still
plugged on at his painting. He
is well adjusted and
a really exciting person
I am ready to let on him
though we may want the Fisk
art jury to give us a judgement

A
