Very truly,

A. B. Hill
State Supt. of Education

J. A. Pearson
State Agent

FISK
UNIVERSITY

March 29, 1923.

Dear Supt. Hill:

We are happy to announce to you that The Julius Rosenwald Fund on March 27, 1923 appropriated \$552,030 to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1923 and ending June 30, 1924.

The allotment for Arkansas is as follows:

Type of School	Number	Amt. per School	Total
One-teacher	8	\$400	\$3,200
Two-teacher	10	700	7,000
Three-teacher	4	900	3,600
Four-teacher	7	1,100	7,700
Five-teacher	1	1,300	1,300
Six-teacher	1	1,500	1,500
Teachers' Homes	2	900	1,800
Additions	6	200	1,200
Totals	39		\$27,300
Building Agent			1,320
		Total	\$28,620

In keeping with the requests of the various states, applications will be received until March 1, 1924, with the understanding that every building on which aid is expected will be completed and paid for on or before June 30, 1924, at which time any unused balance will revert.

In order to take care of any emergencies in construction arising during the year, a reserve fund was included in the general budget. If any state should use up its budget allotment long before the closing period and has a large percentage of the projects completed, The Fund will consider granting additional allotments to such state or states out of this reserve fund. In this way we hope to care for all the needs of the states in the building program.

Mr. Rosenwald and the Trustees of The Fund send greeting and join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the work heretofore and in hoping for the same helpful cooperation under the 1923-24 budget.

Dear Supt. Hill:

Just before leaving the office for a vacation trip of several weeks Mr. Rosenwald authorized me by letter to make up a budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000. This amount does not include the RESERVE FUND for emergencies in construction, which will be determined on his return to the office sometime between now and July 1st, nor does it include the administrative expenses. When these are added, the total budget for 1924-25 will doubtless be a half million dollars or more.

In keeping with this authorization and request of Mr. Rosenwald, I have carefully prepared a budget for the various states, being guided largely by (a) the request from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1924, and ending June 30, 1925. The allotment for Arkansas is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	5	\$400	\$2,000
Two-teacher	10	700	7,000
Three-teacher	2	900	1,800
Four-teacher	6	1,100	6,600
Five-teacher	1	1,300	1,300
Six-teacher	2	1,500	3,000
Teachers' homes	2	900	1,800
Additions	4	200	800
Total			<u>\$24,300</u>

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will not be approved and announced until after Mr. Rosenwald's return to his office.

Applications on the 1924-25 budget may be filed at any time from now until March the 1, 1925, with the understanding that every building on which aid is expected will be completed and paid for by June 30, 1925, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees as well as those of us in the Nashville office deeply appreciate the sympathetic and hearty co-operation given us by your department in the past and sincerely hope for this same helpful co-operation under the 1924-25 budget.
