4901 Ellis Avenue
Chicago, Illinois

My dear Mr. Embree:

I have your letter of June 26 and the enclosures relating to the work of Rosenwald Fellows in the field of art. I think we are all quite proud of the achievement of these persons, and I wish to thank you for sharing with me the evidences of their success.

I note also that it has been decided not to grant an award to Mrs. Creedy. I discussed this case with Dr. Alexander before he left the city and he has told you, no doubt, that my vote was in favor of not making an award at this time.

With personal regards, I am

Sincerely yours,

Weaver
