Name Maggie Coleman Rodriguez Field: Creative Writing  
 Teacher of Social Science in Eighth and Ninth Grades  
 Campbell Street High School, Daytona Beach, Florida

**Plan of Work**

To work toward the degree of Master of Science in Journalism, concentrating on the magazine trades and thereby preparing myself to publish literature especially adapted to Negro children; also, to publish feature articles on phases of southern Negro child life with which I am familiar.

Wishes to attend Northwestern University to work under Dr. F. N. Litten. Has been admitted. Work would require one year. Would return to present position. Seeks training as a qualified writer of literature that will improve the southern Negro's attitudes toward his social and economic possibilities in our American life.
