

Name William Woodrow Chamberlain
 Graduate Student, Part-time Instructor in English
 Leland Stanford University, Palo Alto, California

Field: Creative Writing
 Sociology

Plan of Work

To discover, by talking individually with members of the rising generation in the South, what they consider distinctive features of their culture - to discover what keeps some at home to work and live in their own region while others go away to other regions - to arrange these features in related groups and present the findings in a book.

Would like to be associated with Vanderbilt University. Has not been admitted. Would work for Ph. D., if his project led toward one. Study would require probably a year, beginning in August, 1940.

Personal Data Born Kentucky, April, 1914. Single Age: 26

Undergraduate Work Centre College of Kentucky, B. A. 1936.

Graduate Work Leland Stanford, since September 1937.
 YMCA Graduate School, Summer 1936.

Experience Worked on a Kentucky tobacco and livestock farm during boyhood and vacations through college. Various part-time work for college expenses.
 Laborer and carpenter's helper, Bridges Construction Company, San Jose, California, 1936-37, \$1200.

Accomplishments George Loomis Fellowship in American Literature, 1938-39, Stanford University, \$780.
