Dear Arna: I am writing to ask if the week-ends,
March 13 and 14 and April 17 and 18,
would be acceptable to you as dates for our two fellow-
ship meetings? Three members of the Committee have
already expressed a preference for these dates and if
they are agreeable to you, I would very much appreciate
hearing from you as soon as possible since I cannot
set up dates for the art, music and photographic juries
until the fellowship dates are established. As usual,
the meetings will be held at the Fund office. We shall
be sending digests to you well in advance of the first
meeting.

With personal regards,
