Fellowship Conv.

Mrs. Wm. C. Haygood
Julius Rosenwald Fund
Chicago, Illinois

Dear Vand: I am in favor of restoring Owen Dodson's fellowship from unallocated funds in the fellowship budget. He was a good bet when he went into the navy, and I have an idea he's a better one now. I see no danger in this sort of precedent: there probably won't be many wars during the life of the Fund.

Sincerely yours,

Arna Bontemps
