

Candidate **Bridges Alfred Turner** Special Field  
 Graduate Student, Pennsylvania State College, Industrial Education  
 State College, Pennsylvania - *Box 512*

Plan of Work  
 To help the school officials (local, county, and state) of Arkansas make the general curriculum more meaningful by showing how it can be vitalized with Industrial Education (practical arts).

Seeks M. Ed. at Pennsylvania State College, working under Dr. F. T. Struck. Has been admitted. Will get M. Ed. in June, 1939, then wishes to continue on for Ph. D. One year, two semesters. Wishes to become teacher trainer in industrial education.
