To 1941 Fellows

I am writing to ask if you will be good enough to fill out the enclosed blank so that we can have for the report to the Trustees at the fall meeting an up-to-date record of your activities. Our Board naturally has a continuing interest in former Fellows, and the report is of particular significance this year since the war has brought about so many changes.

It will be good to hear from you, and your co-operation in filling out and returning the form to us promptly will be greatly appreciated.

Sincerely yours,

WCH:MLU
