

ANGUS MC KENZIE LAIRD

(38)

Assistant Professor of Social Sciences
University of Florida
and Merit System Supervisor
Florida State Board of Health

Political Science

No evidence of greater superiority
than we had three years ago
and he is now over age

1939

Assistant Professor of Social Science
University of Florida

Political Science

Very near the dead line in age

Interesting proposal in study
of global forces

Florida is an atypical
Southern state so results
would have little application
elsewhere - the South -

His grades at Syracuse & Chicago
are B + P (not tops - either case)

Recommendations do not
seem super

B

Name Angus McKenzie Laird **Field:** Political Science
 Assistant Professor of Social Sciences
 University of Florida, and Merit System Supervisor, State Board of Health

Plan of Work

A study of the merit system for public health personnel in the southeastern states.
